# Upper Falls

The Upper Falls of Athabasca Falls offer a dramatic display of rushing water as the Athabasca River narrows and plunges over a series of cascades.

# Lower Falls

Located downstream from the Upper Falls, the Lower Falls of Athabasca Falls showcase a different perspective of the cascading water. Here, the river widens, resulting in a broader and more expansive waterfall.

# Viewpoints and Trails

Athabasca Falls offers various viewpoints and walking visitors can appreciate the awe-inspiring beauty of the falls, the surrounding canyon walls, and the rugged landscapes carved by the relentless force of water.
